Meta Business Partners

More Ads for Less Spend

Our high Google quality score means media discounts up to 40%, multiplying your impact for the same budget.

✓ Top-Tier Performance

Convert Your Traffic

The Netsertive platform contains thousands of negative keywords, so you don't waste ad spend on irrelevant searches.

✓ In-Program Provider

Co-Op Compliant

A Certified Provider for turnkey co-op with several OEMs and co-op compliant with others.

✓ Transparent Pricing

Transform Your Digital Performance with Netsertive

Our platform is intentionally built for OEM dealer networks and learns from the thousands of OEM digital advertising campaigns, giving you the upper hand to win in your local market. Your ads are never cookie cutter and hundreds of campaign changes are made each month to ensure you have the best performance from your Search, Display, Video, CTV, SEO, Webpages, and Inventory Ads.

Netsertive has 13+ years' experience managing digital marketing, our technology has optimized over \$1B in ad spend and we're #1 marketing provider with major OEM brands.
